A BETTER SMOKE

Many cigars in which good stock is used are spoiled in the making or in the keeping. The best tobacco grown must be handled right or the cigars made from it will be poorer than those made correctly from inferior leaf. In buying cigars we pay as much attention to where and how they are made as we do to the stock which enters into their construction. In our

Gladstone Cigar

5c Straight

We have a smoke as near perfection as good workmanship can produce. The stock is the finest that can be used for the money. It's a clear, sweet, fragrant smoke—one which you'll enjoy. We guarantee it the best 5c straight domestic cigar on the market. Try one the next time you want a better smoke.

To Our Friends.
In the death of Maudie Stowe Redfield a great and overwhelming grief burdens our hearts and is only assuaged by those friends in their tributes of loving kindness so abundantly and freely given in thus helping to bear one another's burdens. None knew her but loved her. To all, our sore hearts go out in sincere thankfulness. And now as she lies resting in Rose Hill cemetery may "Warm summer sun shine kindly here,
Warm southern wind blow softly here,
Green sod above lie light, lie light,
Good night, dear heart,
Good night, good night."
THE REDFIELD AND STOWE FAMILIES.
She was born August 30, 1876, and died October 22, 1905.
